

ESPRESSO MARTINIS

- 3 fluid oz espresso
- 2 fluid oz coffee-flavored liqueur (such as Kahlua)
- 4 fluid oz vodka
- Splash of vanilla extract, optional
- 4 tablespoons Reddi-wip® Barista Series Sweet Foam
- 6 coffee beans

1. Put two martini glasses in the freezer while making the drinks.
2. Fill a cocktail shaker with ice and add the espresso, coffee liqueur, vodka and vanilla, if using. Cover and shake vigorously until extremely cold, about 1 minute.
3. Strain into 2 chilled martini glasses and top each with Reddi Wip Sweet foam and coffee beans.
