RIBEYE STEAKS & SUN-DRIED TOMATO MUSHROOM SAUCE

- 2 ea Copper Creek Boneless Beef Ribeye or Strip Steaks cut 1 inch thick
- 1/2 tsp Coarse grind black pepper|2 tsp Chopped fresh thyme optional
- 1 Tbsp Butter
- 4 oz Mushrooms, sliced from local Bulich Mushroom Farm
- 1 tsp minced Garlic
- 1 can Ready-to-serve beef broth 14 to 14-1/2 ounces
- 1/3 cup Dry red wine
- 1 Tbsp Cornstarch
- 1 Tbsp Sun-dried tomato spread
- 1/4 tsp Pepper
- Salt

- 1. For sauce, heat butter in saucepan over medium heat until melted. Add mushrooms and garlic. Cook and stir 2 to 3 minutes or until mushrooms begin to soften. Remove mushroom mixture from pan and set aside.
- 2. Combine broth, wine and cornstarch, then add to same pan. Bring to a boil. Cook and stir 1 minute or until slightly thickened. Reduce heat and simmer about 10 minutes or until mixture is reduced to 1-1/2 cups. Stir in mushroom mixture, sun dried tomato spread, pepper and salt, as desired.
- 3. Meanwhile press pepper evenly onto beef steaks. Heat large nonstick skillet over medium heat until hot. Place steaks in skillet. Cook 12 to 15 minutes for medium rare (145°F) to medium (160°F) doneness, turning occasionally. Remove to platter and keep warm. Add mushroom sauce to skillet and then increase heat to medium-high. Cook and stir, 1 to 2 minutes or until browned bits attached to skillet are dissolved. Spoon sauce over steaks and sprinkle with thyme, if desired.
