Go out on a limb and make **BACON WOVEN TACO SHELLS** filled with favorites like macaroni and cheese or pulled pork.

Ever try **COUNTRY FRIED BACON**? Just add flour, baking powder, buttermilk, eggs, cayenne pepper, chili powder, paprika a little S & P and yes, fry the bacon again.

Sweet and Salty are it flavors. Try an **APPLE PIE BACON GRILLED CHEESE SANDWICH** combining granny smith apples, cheddar cheese on sourdough bread.

Join the Bourbon kick and make a **BOURBON MAPLE JAM!** You cook the bacon, caramelize some onions, and hold the two together with a little maple syrup, a decent amount of bourbon, and a splash of vinegar.

Use **FARMLAND'S BACON CLUB** online for more outrageous, yet absolutely craveable bacon ideas!

say cheese

Asiago - Firm to hard texture with buttery, nutty flavor similar to parmesan. **Brie** - Fruity, mild, nutty, tangy and semi soft meshes well with sharper flavored meat. **Cheddar** - Smooth, firm, becomes more granular and crumbly as ages; rich, nutty, creamy flavor increasingly sharp with age. **Feta** - semi-firm, crumbly texture, tart, salty, tangy flavor **Fontinella** - delicately sweet, creamy, hint of sharpness. An excellent melting cheese and works beautifully in sauces, casseroles and in grilled sandwiches **Goat** - soft with mild tangy flavor. Contrasts nicely with the rich flavors of walnuts, dried cranberries and apricots. **Gorgonzola** - semi-firm, crumbly, earthy bold flavor. Noticeably creamier than traditional blue cheese. **Gouda** - creamy, full-flavored and nutty. Smoked forms a good combination with sandwiches and burgers. **Havarti** - smooth and creamy with very small and irregular "eyes". It melts beautifully over burgers and in casseroles. **Mozzarella** - smooth texture, mild, milky delicate flavor

The Mahalo

Mahalo means thank you in Hawaiian. It's loaded with crispy pork belly and a sweet and slightly spicy pineapple chutney and then complemented with pepper jack cheese. Visit www.grilledcheeseacademy.com for more out of this world cheesy sensations. - WISCONSIN MILK MARKETING BOARD 2016 Gold winner

The Great Escape!

Pickles are tired of being on the side. They want to share the glory in grilled cheese, pastrami, grilled ham & cheese and yes even peanut butter sandwiches!

SUSHI BAR TUNA Sriracha, rice wine vinegar, and a liberal dash of sesame seeds bring the flavors of the sushi bar to these sliders.

CURRIED Currants and chopped dried apricots bring sweetness to curried tuna salad served on naan

TACO TRUCK TUNA The bright flavors of lime, cilantro, tomato & jalapeño together and combined for a unique, taco-inspired wrap.
