Scotch-Brite™  
Dual Purpose  
Scour Pad 96HEX

**One pad. Two tasks. Powerful cleaning!**

New Scotch-Brite™ Dual Purpose Scour Pad 96HEX features a yellow raised power dot side engineered to cut through baked-on food **5X FASTER\***. The smooth gray side scours away fine particles and grease, leaving a clean and shiny surface.

\*Than non-3M competitive medium duty scouring pads.

## A whole **NEW** dimension of clean!

### Tough & Durable

- Power dot surface pattern engineered to quickly and effectively cut through stubborn baked-on or burnt-on food.
- A long-lasting dual-purpose scouring pad. The yellow side with raised power dots retains its full scouring power through repeated uses.

### Scours, Rinses & Cleans Easily

- Yellow side engineered to prevent large food particles from getting trapped on the pad and reducing scouring power.
- Smooth gray side scours away fine food particles, leaving the surface clean and shiny.

### Ergonomic & Functional Design

- Hexagon design makes it easy to get in hard-to-reach areas of pots and pans.
- Ergonomic hexagon shape fits comfortably in hand, maximizing productivity and minimizing operator fatigue.

**Looks Different. Cleans Different.**

Ideal to clean heavily encrusted pots and pans.

Recommended to clean aluminum surfaces.
