- Due to limited supplies caused by worldwide demand only 1 case per customer of any of these products -

## DOSE SANITATION KIT

**Integra 4/64 oz #14315**

Contains 2 each of DEFY and SANI QUIK, 2 green activators, 2 service trays, 2 one-quart bottles w/trigger, 5 quart labels for each product, packet with SDS information, wall chart, installation Kit, window sticker, and reordering information.

WINDOW STICKER

**DEFY** - Heavy duty floor and wall cleaner that contains solvent and detergent builders. Can be used on kitchen counters, grills and appliances. Designed for use on all hard surfaces.

**SANI QUIK** - Quaternary sanitizer for nursing homes, schools and food service establishments. Allow surface to remain wet for 10 minutes. Allow to air dry. If

disinfecting food contact surfaces, a fresh water rinse is required after the 10 minute wet contact time.

## SANITIZER KIT FOR HARD SURFACES

**1 ea #15976**

Kit includes one (1) 32oz spray bottle w/ Sani Station label, 100ct Sani Paks, 1 tube of SANISTRIPS.

## QUATERNARY SANITIZER Glitz 6/32 oz #14250

Glitz™ is a ready-to-use no rinse sanitizer that cleans and sanitizes a wide variety of surfaces. It is ideal for use on hard, non-porous surfaces, such as behind and under sinks, counters, and other places where bacterial growth is present. Glitz™ may also be used to sanitize food contact surfaces such as prep areas, equipment and bar tops.

## QUATERNARY SANITIZER Sani Quik 4/64 oz #14311

Quaternary sanitizer for nursing homes, schools and food service establishments. Allow surface to remain wet for 10 minutes. Allow to air dry. If disinfecting food contact surfaces, a fresh water rinse is required after the 10 minute wet contact time.

## SANITIZER PACKETS San Jamar 100/.5 oz #15974

Chemicals in the sanitizer are safe so there's no reason to rinse utensils with water after sanitizing.

## BAR GLASS SANITIZER Drackett 100/.25 oz #15970

Drackett's Beer Clean Last Rinse Sanitizer is formulated powdered compound specifically developed to keep your glassware shining and clean. It provides thoroughly cleaned glassware leaving no odor, aftertaste or residue. Laboratory tested, the solution kills E. coli, staph germs and is suitable for cold or hot water rinse.

## SANITIZER SURFACE CLEANER

**Purell 6/32 oz #14249**

No-rinse, food-contact surface sanitizer and cleaner. Proven effective across most hard and soft surfaces.

## SANITIZING QUATERNARY TOWEL

**Sertun 150 ct #16255**

Rechargeable sanitizer indicator towels effectively sanitize any surface. Using Color-Check Technology™, towels change from yellow to blue when proper Quat levels are present in sanitizing bucket. As towels use Quat, the color changes from blue to yellow indicating there is not sufficient sanitizer in the towel. Recharge towels by placing back in sanitizer solution. Must add Quat to water, use G's #15974 or #15965. Ideal for food service applications.

## SANITIZER TABLETS Steramine 6/150 ct #15965

Pre-measured tablets for sanitizing food contact surfaces. Visible - it turns blue in water. Gentle - it won't irritate hands. Use one tablet per one gallon of water.

## INSTANT FOAM HAND SANITIZER Insta San

**2/1 gal #16306**

Non-Alcohol instant, lathering hand sanitizer. This formulation features an exceptional skin feel, conditioning and moisturizing properties. It contains an antimicrobial agent proven effective in removing bacteria from hands. INSTA SAN kills 99.9% to 99.9999% of most common germs that may cause illness. Safe on sensitive skin. Use with Spray Bottle #16524 or 8.3 oz Tabletop Pump #16523

## HAND SANITIZER W/PUMP 4/1 gal #16304

80% alcohol
