### TINY POOLS

- Using 2 or 3 sauces that complement the pie flavor
- Start with one sauce and make random sized pools.
- Change sauces and repeat – making sure pool color and sizes vary.

### STAINED GLASS WINDOW

- Using a thick sauce (caramel or chocolate ganache), create the outline
- Followed by connecting lines to create window pane outlines.
- Starting from the middle of each window-pane, fill in with various sauces complementary to the pie flavor.

### GEOMETRIC PATTERNS

- Select 2 sauces that complement the dessert.
- Deposit a medium-size pool of sauce
- Pipe the other sauce in a triangle shape with the base of the triangle over the pool of sauce.

### TINY LINES IN 3's and 5's

- Odd numbers work best for this presentation.
- Use 1 or 2 sauce flavors that complement the dessert
- Another flavor can be used to fill in the 3 lines
- A zigzag pattern may be achieved by using a toothpick, as shown.
