LET'S TALK CHICKEN

# Sous Vide Chicken

## *Fully Cooked & Grilled Marked* Sous Vide Chicken Breast Fillets

Wayne Farms® provides a sous vide option that reflects the values, beliefs and needs of unique consumer segments. We support an amazing chicken experience for everyone from traditionally to no antibiotics ever products.

### *Sous Vide The Best Choice*

Cooking chicken to tender, juicy perfection can be a challenge in any busy kitchen. Sous Vide Chicken Breast Fillets are marinated in a savory broth and flame grilled to seal in all the delicious juices and ensure a tender bit every time.

### *Back of House Benefits*

- Fully cooked state allows for open and serve or heat and serve convenience reducing risk and saving labor
- Fillets can also be held in a hot water bath for quick and easy serving.
- Fillets are consistently sized an identical portion every time reducing waste and ensuring customer satisfaction
