

## CHECK OUT OUR NEW PREMIUM POTSTICKERS!

We are excited to introduce four new Potstickers under the Ajinomoto brand. Designed to deliver bold flavor in an authentic gyoza-style dumpling, these

Ajinomoto Potstickers offer a savory balance of umami, garlic, and ginger flavors. Available in four (4) popular varieties – Chicken, Pork, Vegetable, and Thai Vegetable, these new Ajinomoto Potstickers are packed in 10/12-count trays to ensure product quality and consistency and can be steamed and/or pan-fried for a crisp, golden finish.

Made with unbleached flour for a more traditional, natural appearance, these half-moon Potstickers deliver an authentic texture, color and mouthfeel with a hand-pinched appearance.
