Single serve pickles are Fun (kids love 'em at school). They're tangy and cold (an energizing bite, post-bike ride). They're refreshing (perfect for a 3pm work-day pick-me-up). They're barrel-cured and packed without brine (your pocketbook will thank you).

Add a fresh crunch to your lunch

TO OUR PICKLE FANS,

After more than 15 years wholesaling, the Patriot Pickle team is proud to announce the launch of our new retail-ready line, Crisp Brand.

Crisp takes everything our customers have always loved about Patriot's pickles – their clean taste, their unrivaled crunch, and their carefully developed, memorable flavors – and transforms them from their restaurant-ready quantities to eye-catchingly packaged, easy-to-eat-on-the-go, no brine no mess, single serve items. These refrigerated packs are ideal for accompanying grab-n-go sandwich stations, stocked alongside other chilled snacks, and on the shelves in your refrigerated pickle section.

As always, our pickles are gluten-free, non-GMO, vegan, fat free, certified kosher, and are available in the following flavors and varieties:

THE "OG" CLASSIC GARLIC DILL

Available in whole pickles and chips.

STRAIGHT FIRE SPICY GARLIC DILL

Available in whole pickles and chips.

SWEETNESS CANDIED BREAD AND BUTTERS

Available in chips.

SLOW BURN SWEET HORSERADISH

Available in chips.

Our sell sheet and price list are attached. Please reach out with any questions.
WE LOOK FORWARD TO WORKING WITH YOU ON THIS NEW PROJECT.
