

**A Recipe to
the Good Life**

Product Catalog

Everyone is looking for the recipe to the good life

A meatball for every taste, event and menu

We're America's #1 Italian food company specializing in meatballs. Whether it's beef, pork, chicken or turkey, we offer a range of meatballs that fit any palate. Either baked or flash-fried, our meatballs come in a variety of sizes and adhere to our high-quality standards.

My father started Buona Vita 30 years ago with one goal in mind: sell a great-tasting traditional Italian meatball. Since then, Buona Vita has become the leading producer of meatballs, sausages, eggplants, pizza toppings, plant-based proteins and other specialty items.

From our humble beginnings in South Jersey, we've grown to a team of more than 125 employees. We offer customized solutions, serve audiences of all appetites – grocery stores, restaurant wholesalers, food service providers, colleges and universities and many other industry segments – and are as hungry as ever to help you succeed.

But our food is only as good as the people and process behind it. That's why we're uncompromising in the quality of our products, our commitment to customer support and ensuring the best flavor in every bite.

As our clients' needs become more customized, we respond in ways that marry my father's appreciation for "old world" traditions with advanced "new world" food manufacturing technology.

We welcome you to take a bite out of the good life. Or, as Dad would say, "Buona Vita."

Paul Infranco, Jr.
President

P.S. For a product sampling, please reach out to me at 856.453.7972.

Beef

Buona Vita

Our original, signature meatball recipe is packed with USDA beef, imported Pecorino Romano cheese and our traditional Italian blend of seasonings and spices. Then it's oven-broiled and lightly flash-fried for a crispy, mouthwatering texture.

Mamma Mia

Customers sing the praises of this tender-tasting meatball. Either fried or baked, Mamma Mia is made with a delicious mix of USDA beef, signature seasoning, imported Pecorino Romano cheese and Italian spices.

Filomena

Looking for a meatball that's perfect for food service? Add our Filomena variety to your menu. With a similar flavor profile as our Mamma Mia meatball, it's baked slowly for a slightly firmer yet tender bite.

Beef & Pork

Buona Vita Sapore Italiano

An authentic, premium-style meatball with a sharp bite. Bursting with flavor, Sapore features USDA beef, pork, imported Pecorino Romano and ricotta cheese. Add in custom seasoning and an extra helping of garlic, and you might find yourself having an extra helping, too.

Buona Vita Gourmet

It's a meatball with two delicious sides. Sweet from a touch more tomato paste. Savory from the robust amount of pork in the blend. Bring them together, and you get one delicious meatball.

Anthony's Authentic

Our traditional oven-roasted meatball would make grandma proud. With a mix of all-natural beef and pork, we roll in three cheeses — ricotta, shredded fontina and imported Pecorino Romano — with a blend of salt, pepper, minced onion, garlic and fresh whole-leaf parsley.

Beef & Poultry

Buon Gusto

A crowd-pleaser that fits perfectly on any menu. We use a blend of USDA beef, chicken or turkey to create a delicious alternative to our beef and pork products.

Italian specialties are our specialty

We may be known for mouthwatering meatballs, but our specialty products are in a league of their own. Have a look at our delicious array of old-world favorites, lovingly crafted for today's applications.

My recipe to the good life?

“Having one reliable partner for delivering authentic Italian meals.”

— BV Customer

“Knowing that every meatball is going to be the same size, consistency and quality.”

— BV Customer

Italian Sausage

Our sweet and hot Italian sausages are a favorite with diners, offering the perfect balance of taste and texture. Our sausages deliver a consistent lean-to-fat ratio, which comes from using only USDA lean, fresh pork.

Our sausages are always packed in all-natural casings and seasoned with a proprietary blend of spices for a mild or zestier flavor. Whichever variety you choose, our quality never wavers from package to package or from breakfast to dinner.

Pizza Toppings or

Choose from beef or pork. Our crumbles are fully cooked, lightly seasoned and mixed with our signature spice blend. Whether it's taste or price, there's no topping our toppings.

Eggplant Cutlets

Vegetarians rejoice! Battered or breaded, our eggplant cutlets improve any menu. After selecting the finest eggplants, we then slice, season, fry and flash-freeze them to seal in their freshness.

Cooked Meatloaf

The ultimate comfort food, bursting with homestyle flavor. Our meatloaf is made with a special blend of beef, signature spices, onion, Worcestershire and tomato paste.

Quality is our #1 ingredient

Our commitment to our customers is simple. You can trust that every Buona Vita product is held to the highest quality standards. Our three core principles guide us to deliver a superior, consistent and delicious product that goes above and beyond industry requirements.

Provide Superior Quality: For starters, we comply with the internationally recognized HACCP (Hazard Analysis and Critical Control Point) system to ensure food safety. But we go further than USDA guidelines by self-imposing a 100% Test and Hold policy to ensure safety. We're also regularly certified by the Safe Quality Food Institute on our culture of food safety and operational excellence.

Deliver Exceptional Tasting Products: We source the finest ingredients and require that all vendors undergo a comprehensive quality assessment to ensure that every ingredient meets our highest standards. From our meatballs to our sausages and everything in between, we sample every product to deliver quality, freshness and flavor in every bite.

Commit to Customer Satisfaction: With a name like Buona Vita, the responsibility is on us to deliver the promise of the "good life." You can count on us for reliability, consistency and quality in every order. Our dedicated staff is available when you need us to help meet your needs. With state-of-the-art technology and regular employee training, we continue to invest in new and better ways to bring trust to your door.
