

NATURES BEST® ROASTERS

SUPERIOR MERCHANDISING TO INCREASE SALES!

The ultimate rotisserie merchandisers in assorted sizes designed to fit whole chickens, turkey breasts, baked hams, and many other main course entrees. Nature's Best Roasters utilize advanced engineering techniques, resulting in bases with a 40% reduction in oil-based resins, and wide panel, clear lids providing structurally stronger packages. The lids support the weight of stacked packages in a shopping cart or bag without hampering the unique venting design. Leak-resistant closures eliminate the need to wrap with film or tape to prevent messy spills. Double vents allow steam to escape freely while the unique formula of the anti-fog material reduces condensation buildup keeping the food inside looking fresh and appealing.

MICRORAVES® TWO-PIECE PACKAGES

ENDLESS OPTIONS TO MERCHANDISE AND DELIVER PREPARED FOODS!

Packaging that Performs. Two-piece microwavable polypropylene bases and lids in oval and rectangle shapes that withstand temperatures to 230°F in hot grab and go displays, under heat lamps and in the microwave. Many sizes also offer high-clarity PETE lids to drive impulse sales from refrigerated cases of fully prepared meals to be reheated in the microwave at home or office. Anti-fog lids in both PP and PETE options keep the food shining through and avoids errors. Unique designs promote structural integrity with leak-resistant closures and table-ready presentations in durable, cut-resistant material.

CULINARY SQUARES® CONTAINERS AND LIDS

LOW COST ALTERNATIVES TO FOAM CLAMSHELLS!

Culinary Squares® black polypropylene containers with separate clear lids withstand temperatures to 230°F for use under heat lamps, in warming units and microwaves. Clear, anti-fog, vented lids allow excess steam to dissipate keeping the food visible to eliminate order errors and increases impulse sales from grab & go displays. These 8.5" square bases and lids are available separately or in combo packs. Affordable options to upgrade with the same inside food space as foam clamshells. Mix and match the one and three-compartment bases and lids.

MEGA-MEAL® HALF STEAM CONTAINERS

UPSCALE BLACK BASES AND CLEAR LIDS DRESS UP ANY EVENT!

Family serving size, containers in 80 and 100 ounce capacities with one clear, leak-resistant lid to fit both. Similar size to the half-size steam pans popular in catering and buffets. Excellent for use in steam tables* when used in hot water trays. Sturdy, rigid base is made with 40% less oil-based resin with natural additives. The clear, anti-fog lid provides food visibility without opening, keeping the contents fresh until serving time. Packages withstand temperatures to 230°F under heat lamps, in warming units, catering hot boxes, or microwaves. *Not for use in direct contact with sterno flame.
